## Qualifications

- We are looking for Only 3 Qualified Partners that want to build a 3-partner team and earn a large **Increasing-Income**.
- Each Qualified Partner must be willing and able to enlist and help their partner team assemble their 3 partners.
- And then follow the charted path to financial independence.

# New Partners In Success

- This is a simple but very powerful income model where you work with 3 other partners and you train them to recruit and train their 3 partners.
- All of your income will be coming from your 3 partners and all of theirs from their 3 etc.
- This is a forced matrix until you reach phase 19; This means you pass down any extra partners to your partners and they do the same until they reach phase 19. This rule keeps the success Plan moving for all!
- The forced matrix works this way; when you have your 3 partners, you stop marketing your links and start marketing theirs until they have their 3. Following this process will help everyone literally fly through the phases

# New Partners In Success

- A phase is completed when your 3 partners get their 3 partners and Phase payments are made to your sponsor/partner.
- This can happen in a matter of hours or a couple of days when you are motivated and motivate others to act in their best interest.
